USA SHOOTING TEAM FUNDRAISER

With Tokyo in Sight, this will be the can't-miss sporting clay fundraiser with athletes making final preparations to compete at the 2020 Olympic and Paralympic Games. The Fork Farm and Stables will be hosting the National Sporting Clay Cup on August 30 in the morning with a private dinner and auction in the evening at Childress Vineyards. As one of the only non-government supported shooting teams in the world, USA Shooting relies heavily on donors and sponsors to help maintain a history of success that includes 110 Olympic medals. Put your shooting skills to the test in support of the USA Shooting Team as they head toward the upcoming Games while also giving the organization the jump start it needs in preparing for the next two years.
