

## CONTINGENCY PLAN

The Fork Farm and Stables will host the 2017 NC State Sporting Clay Championship this week, and has prepared a contingency plan for implementation in the event of inclement weather or other events that might interfere with normal scheduling. The following steps will be implemented as follows:

We consider it “luck of the draw” that inclement weather will interrupt your round and cause shooting to be delayed. With that said, if you are part of an unfortunate rotation delay, it is our opinion that we do not delay the “fortunate” ones by delaying their start time. The below applies to all events, excluding Main Event:

1. If the 1<sup>st</sup> or 2<sup>nd</sup> rotation of an event is stopped due to weather, we will resume once weather has cleared as long as it does not delay next rotation by more than 30 minutes.
2. If the 1<sup>st</sup> or 2<sup>nd</sup> rotation of an event are stopped due to weather and we are unable to resume due to timing of the following rotation, we will post the new start time via text updates, website, and scoreboard to notify those shooters affected on when to resume their rotation after the 3<sup>rd</sup> (final) rotation has been completed; start time being approximately 5:30pm the same day.
3. In the event we are unable to complete your unfinished rotation the same day, we will attempt to complete it the following day if the event has not completed for the tournament. If there is no possible way to complete your unfinished round, we will fully refund you no matter how many targets were initially attempted at the time of delay. In the event shoot management is able to complete delayed rotations and you choose not to participate, you will forfeit your refund.

**MAIN EVENT ONLY:** In the event two or more rotations are unable to compete their rounds on a given day, that entire day will be discarded, and we will award TWO winners in all classes/ concurrents for the Main Event. Due to timing, the second set of trophies will be mailed to winners. Both sets of trophies will be the same, but monetary payouts will be split equally between winners as advertised. All Main entrants will be reimbursed 50% of entry fee and all options will be reimbursed fully, with no payouts. If shoot-offs are unable to be completed, all ties will be determined by predetermined stations.
